

Become a Sponsor and Support Nature Education

The Gillette Nature Association is a non-profit organization that promotes and sponsors interpretive activities and educational opportunities at the Gillette Visitor Center in P.J. Hoffmaster State Park. Through the generous support of many sponsors, the GNA is able to host special events and provide funding for new exhibits, interpretive trail markers, audio-visual programs, educational materials and student field trips. With the help of many volunteers, the GNA hosts family fun events like The Turkey Trail Run in November and Spring Blooms in the Dunes in May to heighten public awareness to the unique natural features of the park.

Hoffmaster State Park and the Gillette Visitor Center are resources to the surrounding communities, but also draw thousands of tourists each year from surrounding states as well as international visitors. The Gillette Visitor Center served over 51,000 visitors last year and provided nearly 500 programs at the center and campground. This could not be done without your support!

The Association is a registered 501(c)(3) non-profit organization. The Association raises funds through its sponsorship program and several fund raising events throughout the year. All yearly sponsorship fees and donations are tax deductible. You will be recognized on our website and Facebook page, along with a posting at the center.
